Great Service

Your ceremony, which is a unique expression of your love, is as special as you are. Blyght, specializing in Christian ceremonies, is here to help you share your passion. He firmly believes that marriage is the strongest bond between two people, a belief he brings to life in his ceremonies.

Professional Ordained Minister

The marriage relationship is one of the most effective tools believers have for sharing about Christ with others because it is a picture of Jesus and His relationship to the church. Godly marriages can reveal Christ to an unbelieving world. Blyght is excellent at providing a Christian ceremony for your special day!

Christian Values

A marriage rooted in faith will stand firm when life's challenges appear. Like a tree with deep roots, it will weather the storms. This testament of faith is the assurance Blyght brings to his ceremonies.

Ceremony

Your wedding ceremony will reveal much about your personalities, families, beliefs, and relationships. It is also an opportunity to create a personal and heartfelt experience for all your guests.
